

Letter Idea:

Blessed Advent!

I pray that this letter finds you in good cheer! We have had a very eventful year and I am grateful for the many opportunities that the Lord presented us with to grow in faith and trust in His goodness!

This year we have been blessed to help continue the presence of local Catholic radio in ----- on-----
-. I am so grateful for your past prayers and support for this work and ask that you consider continuing that support with an end of year gift.

I am becoming increasingly aware, through the insights of others, that our role in the Lord's plan is simply to be faithful and to meet Jesus, with any difficulties, at the foot of the cross. There these difficulties are revealed to be opportunities for grace and moments for others to see how much we love Jesus. It is here that we begin to evangelize the world.

Working together, may we continue, in faith, to discern the Lord's will, and as we encounter the doorways of both difficulty and opportunity, step joyfully forward in trust that our faith will be met with His grace!

May the peace of the Christ Child be in your hearts this Christmas and remain for the entire year!

Sincerely,
