

## Starting an EWTN Catholic Radio Affiliated Station

If there isn't an EWTN affiliated radio station in your area, perhaps God is calling you to play a role in making that happen. It's a significant endeavor, but people all over the country, with no radio experience, have made this happen.

**If God has called you to this work, He'll make a way for you to accomplish it.  
EWTN Affiliate Relations are here to help every step of the way.**

EWTN Affiliate Relations have the resources to help you with every aspect of establishing an EWTN Catholic Radio affiliated station:

- access to brokers
- attorneys
- engineers
- and a proven fundraising strategy that's been successful everywhere it's been used.
